Attitude Dancer # 1

Attitude Dancer # 2

Todd James (a.k.a. REAS) is an internationally recognized artist who began his career as a child in the New York City subway system. He is a co-creator of the seminal Street Market exhibition at Deitch Projects in New York, which was selected for the Venice Biennale in 2001. James' work has also been shown at the Institute of Contemporary Art in Philadelphia, the Tate Museum in Liverpool, the Parco gallery in Tokyo, the Yerba Buena Center for the Arts in San Francisco, the V1 gallery in Copenhagen, and the Lazarides gallery in London, amongst other venues. Todd James lives and works in New York City.
